On behalf of THE COMMISSION FOR INDEPENDENT EDUCATION, I am pleased to send you a license, as provided under Ch. 1005, Florida Statutes.

There are three (3) key factors you must keep in mind during your period of licensure:

1. You are licensed to teach only the program(s) submitted in your application and listed on the "Approved Data" sheet. To add, delete, or modify any program, first get approval from the Commission.
2. You must report to the Commission any significant change relative to the operation of your institution during the next year of licensure.
3. Any change of ownership and/or control of the institution must be reported immediately along with the required information.

You will be notified before your next renewal submission deadline with information on filing a renewal application.

Should you need further assistance, please contact Victor Sorey at (850) 245-3200.

Sincerely,

Tiffany Hurst
